STATINTL

We have received with interest your proposal for the development of a multiple photograph image correlation equipment, dated 29 March 1960.

Your proposal is currently being reviewed and we will be in touch with you in the near future as to our decision in this matter.

Thank you for your interest in the problem.

Very truly yours,

STATINTL

STATINTL

Dear [REDACTED]

Enclosed is a proposal for the development of a multiple photograph image correlation equipment. The scope of effort defined in Section 3.0 of the proposal includes the development, fabrication and testing of this equipment as well as furnishing a final engineering report.

Delivery can be made eight months after receipt of contract, and final engineering report will be completed one month after delivery of equipment.

The cost estimate for the MPIC is as follows:

STATINTL

[REDACTED]

STATINTL

- 2 -

29 March 1960

The foregoing quotation is made on the assumption that the contract will be on a cost plus fixed fee basis.

If there are any further questions please do not hesitate to contact us.

Sincerely yours,

STATINTL

TECHNICAL BACKGROUND PROCUREMENT INFORMATION

25X1A

I. Contractor

A. Name and address: [REDACTED]California.B. Evaluation of previous performance: Satisfactory

II. Brief description of this procurement: Multiple Image Correlator packaging,
shipping and the setup and checkout of equipment and demonstration of techniques.

Estimated total amt. [REDACTED]

25X1A

A. Deliverable items: Multiple Image Correlator, Mark I; Chip Cutter;Services of an optical and an electronic engineer.

B. Is this procurement for other than a standard, "off the shelf" or slightly modified commercial item? Yes If "yes", is it anticipated that any more of this unit will be procured? See "Comments" If so, a complete set of directly reproducible manufacturing drawings and specifications would normally be included in this procurement. Comments: At present

further study has to be made to determine application of instrument capabilities before other instrumentation or studies can be contracted for.

C. Will contract cover a period of more than 90 days? No
If "yes", are progress reports desired? N/A If so, indicate frequency, content and number of copies desired: N/A

D. Is any Government-owned property to be provided to the contractor?

Yes

If so, list and indicate its availability (where, when,

etc.) Breadboard instrument is now at [REDACTED] The instrument was developed

and retained at [REDACTED] as GFE. It is now necessary to package this
equipment for shipment to NPIC.

E. Is any special tooling involved? No

F. Security:

1. Association with the Sponsor is Unclassified

2. The specifications and/or drawings are Unclassified

3. The item is Unclassified

4. Contractor personnel known to be aware of this proposed procurement:

[REDACTED]
